RESALE CERTIFICATE

To be completed by purchaser and retained by seller.

Notice To Seller:

It is presumed that all sales are subject to the tax until the contrary is established. The burden of proof is on the seller that the sale of tangible personal property is not a retail sale. However, if the seller receives a resale certificate signed by the purchaser stating that the property is purchased for resale, the liability for the sales tax shifts from the seller to the purchaser.

This certificate is intended for use by licensed retail merchants purchasing tangible personal property for resale, lease or rental purposes. *To be valid, the following conditions must be met:*

1. The resale certificate presented to the seller by the purchaser contaings all the information required by the Department and has been fully and properly completed.
2. The seller did not fraudulently fail to collect or remit the tax, or both.
3. The seller did not solicit a purchaser to participate in an unlawful claim that a sale was for resale.

Seller must maintain a copy of this certificate to substantiate the exemption in the event of an audit. If this certificate does not meet the above requirements, it is not valid and the seller remains liable for the tax.
